

Check Under the Bed

A key feature of this event is to shine the light on the heritage of Boomerang Park. Help us find more information about this important asset for Raymond Terrace!

The Raymond Terrace Historical Society in partnership with Council's Raymond Terrace Library are asking you to help find the photographic history of Boomerang Park – check under your bed, in old suitcases and in granny's knickers drawer!

Bring your photo to the library, and it will be scanned and sent to you as an electronic copy for your records (you get to keep your original).

By registering your photo and giving permission to use your photo in displays, you will help us better understand the rich history of Boomerang Park.

Registration forms are available at the Raymond Terrace Library during their open hours.

For more information about the Check Under the Bed project, please contact Ken Barlow (Raymond Terrace Historical Society) on 0431 081 358 or Donna Lloyd (Raymond Terrace Library) on 49080 0111.
