## FESTIVAL WEEKEND

SATURDAY 18<sup>TH</sup> - SUNDAY 19<sup>TH</sup>

11am - 5pm

10am - 2pm

D'ALBORA Marinas, Nelson Bay

Port Stephens is renowned for sensational seafood all year round with sweet prawns and plump oysters, blue swimmer and mud crabs, lobsters and of course an abundance of fresh fish.

Oysters are farmed within the pristine waterways of Port Stephens by generations of families. Join our "farmers of the sea" and learn more about our local oyster industry, taste and purchase oysters straight from the farmer and learn the secret to shucking.

The Love Sea Food Weekend Festival celebrates our coastal cuisine with live cooking demonstrations, tastings, an oyster shucking competition, interactive displays, children's activities and much more.
