FESTIVAL PROGRAM

Welcome ...to the 2017

"Tastes at the Bay". This year the festival promises to be bigger and better than ever, with two full days of food, wine and jazz in the heart of beautiful Nelson Bay.

Port Stephens Council is proud to sponsor this exciting community event, which gives residents and visitors alike a real taste of what we're about here in Port Stephens.

There's truly something for the whole family, from fresh seafood and bubbles, to live music and beer tastings, you'll be sure to get your feet tapping and your taste buds dancing! Even the kids will be well looked after, with loads of food and face painting to keep the little ones happy.

Take your pick of events across the weekend. Chill with jazz in the park, hop aboard the Moonshadow Jazz Luncheon Cruise, or take part in the new Tasters Trail and sample the wonderful hospitality of our local businesses.

Whatever you do, make sure to experience all that the Bay has to offer – stroll through the CBD down to the Marina, take in the festival atmosphere and savour our local flavours of beautiful Nelson Bay.
