We know your type... you're more smashing pumpkins than couch potato... you'd rather take on Everest than take a rest... you understand that the steeper the climb, the better the view from the top. Life is, after all, one big adventure!

Well, strap yourself in for a heart-racing, adrenaline-fuelled, seriously fun Port Stephens adventure. We think you'll love it!

Located 2.5 hours north of Sydney on a glorious patch of the planet we like to call "the awesome coast" -Port Stephens has been blessed with some of mother nature's best work. Gallop along the beachfront on horseback, quad bike through the dunes or sandboard down the 30 metre sandy slopes. Take a tour of the dunescape by 4WD or by camel, hike along the rocky coastline, get a bird's eye view from a helicopter, surf the perfect wave, swim alongside a pod of dolphins, take a dive on a shipwreck (if you arrrrrgh game), kayak towards the sunrise, see whales at play.
