MOONSHADOW-TQC
CRUISES

Winter is a beautiful time of year to explore the winter wonders of Port Stephens. And we have it covered in an all-inclusive package to ensure you enjoy the best the water has to offer in Port Stephens this season. Wonderful whales and fabulous food all packaged for your convenience.

Moonshadow-TQC is renowned for our Whale Watching tours. Our seafaring vessels, passionate and informed crew and high success rate of spotting the whales ensures your experience forms a lifelong memory. Sailing through the headlands of Port Stephens, spotting dolphins on the way, we head into the Pacific Ocean of our coastline, a main corridor for spotting the migrating whales.

That's your day time activity sorted... now time to warm the belly...

On Saturday night during winter dine on board our Moonshadow-TQC Dinner Cruise. The cosy ambience and warm interior of our vessel, live entertainment, our specially designed Winter Warmer Menu with the 'must have' hot chocolate, ensures your winter wonders package is complete.
